## General notes

1. GCSE exams are timetabled in common exam slots agreed by all exam boards under the Joint Council for Qualifications (JCQ).
2. Each exam must be taken on the day, date and at the time shown on the timetable. The published starting time of all exams is either 9.00am or 1.30pm. Students taking more than one exam in a session should take these consecutively. A supervised break may be given between the exams taken consecutively at the discretion of the school/college.
3. Schools/colleges may start an exam up to 30 minutes before the published starting time without notifying AQA.
4. Schools/colleges may delay the starting time of an exam by up to 30 minutes later than the published starting time without notifying AQA.
5. For information on any other timetable variations, please refer to the [JCQ Instructions for conducting examinations](#) or contact [Customer services](#).
6. Students must remain under supervision until 10.00am for morning exams and 2.30pm for afternoon exams. For exams of less than one hour's duration, students must remain under supervision for a period equal to the duration of the exam after the published starting time shown on the timetable.
7. Some components require the issue of question papers, stimulus material or other information in advance of the normal timetable period. Schools/colleges should check the specification for information on the material required by students.
8. Any reading time allowed for an exam is included in the time specified.
9. Schools/colleges must arrange practical and oral units according to the procedures given on the relevant [subject](#) page of our website. Such units are shown only on the 'Subject and product list' pages of this document. Private candidates will need to find an AQA-approved school or college who will take responsibility for all aspects of qualification delivery. This includes supervising, authenticating, standardising and marking all non-exam assessment (NEA) work.

## Subject/qualification notes

10. Schools/colleges should submit their internally-assessed marks/assessments so that they are received by AQA and their designated AQA moderator by the dates shown in the table below.

Receipt date	Subjects
7 May 2020	All units and components unless otherwise specified in this table.
15 May 2020	ELC and FCSE qualifications, Level 1 and 2 Projects.
31 May 2020	GCSE Art and Design and all Personal and Social Education (PSE) units.

11. The submission date for GCSE Physical Education will be two weeks prior to the school/college's moderation visit, moderation visits will take place between 1 March and 31 May 2020.
12. Students entered for the May/June 2020 exams may carry forward the coursework component mark from a previous series. Please ensure these students are entered on to the centre mark submission software using the special status of carry forward. Further guidance is available on the [Carry forward of marks](#) page of our website.
13. The externally set task question papers for GCSE Art and Design will be dispatched to schools/colleges in December 2019 and can be issued to students from 2 January 2020.
14. GCSE History (8145), for Paper 1, students will need to take one of the section A options plus one of the section B options. The overall duration of Paper 1 is 2h. Similarly for Paper 2, students will need to take one of the section A options plus one of the section B options. The overall duration of Paper 2 is 2h.

16. GCSE Religious Studies (8062), for Paper 1, students will need to take two of the options 8062/11-17. The overall duration of Paper 1 is 1h 45m. For Paper 2, students will need to take one of the two options A or B. The duration of Paper 2 is 1hr 45m.
17. Please see examination window details in the table below:

Window date	Subject
06 April – 15 May 2020	Modern Foreign Language speaking tests*
20 November 2019 – 31 May 2020	Drama (8261/X)

\*Schools/colleges can only test during 5 weeks of this window

18. The awarding bodies have designated Wednesday 24 June 2020 as a ‘contingency day’ for examinations. This is consistent with the qualification regulators’ document *Exam system contingency plan: England, Wales and Northern Ireland* – [gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland](https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland)

The designation of a ‘contingency day’ within the common examination timetable is in the event of national or local disruption to examinations in the United Kingdom. It is part of the awarding bodies’ standard contingency planning for examinations.

Centres must therefore remind candidates that they must remain available until Wednesday 24 June 2020 should an awarding body need to invoke its contingency plan.

19. Results will be dispatched to be received in schools/colleges as follows:

Date	Results publication
Electronically to schools/colleges (excluding PSE)	Wednesday 19 August 2020
Available to students	Thursday 20 August 2020
